HOTEL STREET

To Those in Quest of A RUG...

To Intending Purchasers of Rugs we would state that just before the change in tariff we received a large and varied assortment of

Japanese Rugs

By purchasing these Rugs before the change, a saving of about fifty (50) per cent. was effected, which our customers are to profit by, as we do not intend, at present, to increase the price but will sell them, while they last, at the old figure.

Under these conditions, a buyer here can now purchase these Rugs for much less than they are sold for on the mainland.

We have made a display of these Very Handsome Rugs in our large, central show window, where their beautiful designs and harmonious coloring is sure to attract attention.

UNITED STATES PRACTITIONERS MUST BE AMERICAN CITIZENS.

"I would suggest that the committee report a rule demanding that all persons practicing before this court shall be American citizens. If the committee will not do so I will make such a rule myself."

The tone in which Judge Estee made these remarks left no doubt about his earnestness in the matter. It all grew out of the fact that one of the applicants said he was not yet a citizen, though he had declared his intention of becoming a citizen, but lacked a few months of the required five years. Judge Estee suggested that a member of the bar admitted to this court was an officer of the court, and could not well be that and not be an American citizen. Such rules had been adopted in other States, said Judge Estee, and we ought to have the same rules here.

These statements were made at the session of the United States District Court, yesterday morning. There was a large attendance of lawyers and others, who all took the liveliest interest in the proceedings.

The following attorneys were admitted to practice in the United States courts: Miss Elizabeth H. Ryan, W. J. Robinson, Lyle A. Dickey, William A. Henshall. All signed the roll of attorneys and paid the enrollment fee. Other attorneys had made application for admission, but for one reason or another they had failed to qualify. The following persons were naturalized by the court: Sidney C. Turner, John W. Luning, Henry Cobb Adams, John Bush, John Walker and Thomas Francis McTigue.

Each of these candidates for citizenship was accompanied by two witnesses, who were examined by the Judge in open court as to their acquaintance with the applicant, the length of his residence in the United States, his general conduct and habits, ability to read and write the English language, and the probabilities of his becoming a good citizen. The candidate was also questioned as to his former allegiance, and solemnly warned that in renouncing former ruler or potentate he must make no evasion or exercise any mental reservation as to his loyalty to the Constitution and flag of the United States. All candidates were especially warned that in the event of war between the United States and the land of their birth they must show due allegiance to the United States, even to the extent of taking arms against the country of their nativity.

No petitions were required of candidates, but each had to have two witnesses. The fee exacted from each was \$2.00. That will be the maximum charge, save that where more than two witnesses are examined, ten cents additional is charged for each witness.

NEPHEW AND NIECES OF MARTHA C. SWINTON.

They Are Awarded Quit Claim Deed by Circuit Court in Suit Against Priscilla.

Judge Humphreys has rendered a decision in the case of Mary C. Aldrich et al vs. Priscilla E. Hassinger et al. The decision is as follows:

"I find that W. James Smith in his life time held, and that the defendants herein, other than Douglas K. Brown, as the heirs at law of said Smith, now hold the premises described in the original bill herein as trustees in invitum for the use, benefit and behoof of the nephews and nieces of Martha C. Swinton, and that the said Douglas K. Brown, should, as trustees aforesaid, execute and deliver to the nephews and nieces of said Martha C. Swinton, to-wit: Mary C. Aldrich, Helen B. King, Harriett N. Brown (nieces), Douglas K. Brown and Norman Brown (nephews), a quit claim deed of said premises and every part and parcel thereof with appurtenances. A decree in conformity with this decision will be signed upon presentation."

CHAMBER OF COMMERCE.

Annual Meeting and Election of Officers Yesterday.

The annual meeting of the Chamber of Commerce was held yesterday morning at 10 o'clock. Vice President Allen presiding, there were about fourteen members present. The treasurer's annual report showed a balance on hand of \$53.61. The secretary's report dwelt largely on the Hawaiian Exhibit at the Paris Exposition, and that at the Omaha Exposition, the appointment of W. G. Irwin as a delegate to the Paris Exposition, and the appointment of W. O. Smith as the Chamber's Washington delegate. The \$250 donation towards the Major-General Lawton fund was also mentioned. The following officers were elected for the ensuing year: President, W. F. Allen, Vice-President, J. F. Hackfeld, Secretary and Treasurer, J. G. Spencer; arbitration committee, J. F. Hackfeld, chairman; J. B. Atherton, F. A. Schaefer, H. E. Waity and C. M. Cooke. Ed. Towse's report of the Hawaiian Commission to Omaha together with Daniel Logan's were read and approved.

F. M. Swanzy then desired information in regard to the Chinatown plague claims. He moved that the secretary be instructed to address a letter to the government to inquire the purpose of the government in regard to the Chinatown claims. The secretary was also to inquire if it was the purpose of the government to establish a court of claims for this matter. The motion was lost, but was amended so that all mention of the court of claims was dropped on the motion was adopted.

Detective Kaapa Objects.

David Kaapa is much provoked at the account of the Silva case in the Advertiser yesterday morning. He says that the article is a malicious falsehood published with the intent of injuring him in the estimation of the public and his superiors. He says he was not drunk as was implied in the article nor did he more than taste the liquor.

NEWS OF THE TOWN

Frank Hustace and wife will leave for the Coast on the 17th.

W. W. Ahana was arrested again yesterday on the charge of violating Board of Health regulations.

A foreign schooner was reported off Diamond Head last evening. It was thought to be the Dora Blum.

Harold Spencer is spending his vacation in the White Mountains, New Hampshire, with friends of his parents.

Lee Chong and Yong Sai were each fined \$50 and costs in the police court yesterday for having opium in their possession.

Yesterday while at work trying to get the Dunreggan off the reef it was noticed that the tide ebbed about half an hour before schedule time.

There is a possibility that Superintendent Frazee of the Government electric plant in Nuuanu valley will return to the employ of the Hawaiian Electric Works.

If a hawser is furnished the Inquois by the agents of the Dunreggan the tug will go to the stranded vessel this morning unless she is brought in by the Fearless.

Prince David's new boat is rapidly nearing completion. He expects great things of her. She is built on the same lines as the Leowa, which has been a great source of worry to her owners.

A horse and buggy driven by an old chinaman ran away yesterday afternoon on King street. The buggy was overturned and its occupant thrown to the ground. The fall cut a gash in the drivers' forehead and he was taken to the office of Dr. Burgess to have his injury dressed.

Engene Avery the man arrested on the Australia on a charge of embezzlement sworn to by King Bros. was on trial in the police court yesterday. The evidence of the prosecuting witness was not sufficient to make the charge stick and the case was nolle prossed. Avery is getting legal advice as to his right to sue King Bros. for damages.

To Keep the Peace.

W. A. Walcott and Jim Piggott a special policeman are not good friends. As a result of a personal disagreement Piggott is averred to have put himself on record as being anxious to "bust" the head of Walcott. The latter having a good deal of use for his head he has had Piggott before Judge Wilcox who has been asked to bind the special policeman over to keep the peace. The case was postponed yesterday until today.
